To all Grade 7 to Grade 12 Students Interested in Interschool Sports

This form is to be read and signed by every student who wishes to participate in school athletics, and by a parent or guardian of that participating student.

Dear Parents,

As with any physical activity there are always certain elements of risk. Accidents may occur while participating in these activities. These accidents may cause injury. A few examples of the type of accidents which one is at risk of having are as follows:

- Injuries related to vehicle collisions to and from a game
- Broken bones
- Pulled Muscles
- Torn Ligaments

These accidents result from the nature of the activity and can occur without any fault on either the part of the student, the School, its employees, or agents of the facility where the event is taking place. By choosing to participate in the activity, you are assuming the risk of an accident occurring. The chance of an accident occurring can be reduced by carefully following instructions at all times while engaged in the activity.

If you choose to participate, you must understand that you will bear the financial responsibility for any accident that might occur. Gray Academy of Jewish Education does not provide any accidental death, disability, dismemberment or medical expense insurance on behalf of the students participating in the activity.

ACKNOWLEDGEMENT

We have read the above; we understand that in participating in this activity, we are assuming the risks associated with doing so.
